- Claims due by 10th of the next month
 - ▶ May meals served are due June 10 unless less than 10 days then combine with June
 - ▶ June meals are due on claim submitted July 10
 - ▶ July is due Aug 10

- For **second meals up to 2%** of the month's total
 - ▶ Plan and prepare for one meal per child daily
 - ▶ Keep track of second meals daily

Maintain Accurate Records For Meal Service

- A complete count of all first and second meals served at each site (plan for first meal per child and adjust as program progresses.) Should not be serving second meals more than a few times in the summer.
- Number of adult meals (non-reimbursable but must be added in production records of meals prepared).
- Offering Adult meals is optional; but, if feeding adults, they **dine after children**. **THIS IS a CHILD PROGRAM.**
- Meal Count form included with application requires tracking of all these meal types - see sample in Sponsor Administrative Guide

Scope of Review

Meal count -

It is critical that site personnel and monitors understand the importance of accurate point-of-service meal counts. Only complete meals served to eligible children can be claimed for reimbursement. Therefore, meals must be counted at the actual point-of-service, counted as they are served, to ensure that an accurate count of meals is obtained and reported. Counting meals at the point of service also allows site personnel to ensure only complete meals are served.

Start the Day Ready to Learn – It Starts with School Breakfast
March 4th, 2014

Breakfast is the most important meal of the day because it helps keep kids full and focused throughout the school day. But for many students, eating before they get to school is not an option. That's why **Fuel Up to Play 60** is partnering with **Share our Strength** and **Dean's Foods** to make sure all students have the chance to fuel up before class.

The **"It Starts with School Breakfast"** campaign aims to empower students and families to lead change in their schools and communities and increase school breakfast awareness and participation.

And what better time to highlight school breakfast than in March – National Nutrition Month. Fuel Up to Play 60 enrolled schools are encouraged to host events focusing on school breakfast, then upload information about the events to the Fuel Up to Play 60 dashboard for a chance to win great NFL prizes! SOUTH DAKOTA: Summer Reading and Summer Meals!

Help feed students' bodies and minds this summer. As you make plans for your summer feeding site, the South Dakota State Library Children and Youth Services and the South Dakota Department of Education Child and Adult Nutrition Services want to make you aware of summer reading programs.

Many libraries across South Dakota offer summer reading programs. These programs help make up for the "break" in learning and result in positive reading achievement outcomes when children go back to school in the fall. The Collaborative Summer Library Program (CSLP), the premier national summer reading program, is a consortium of states working together so member libraries can provide high quality summer reading programs and play a significant role in literacy initiatives.

For more information on the summer reading program nearest you and how you might collaborate with program coordinators, contact Jasmine Rockwell with the South Dakota State Library at (605) 773-5066.
